Event Director Message

Our 47th Running Celebration

I have been a runner since the fall of 1966 when I went out for my high school cross-country team in my Junior year. I have been in the running industry since 1977 when I helped launch *Running Times Magazine* during the “First Running Boom” of the 1970s. I have always said what a great community this is to be part of. Nowhere was that more evident than in the hours, days, and weeks after I had to make the most difficult announcement of my race directing career — that through some serial miscommunications among experienced race officials, the course on which we thought an American 10 Mile record had been set was, in fact, only 9.96 miles long due to a misplaced turn-around in West Potomac Park. My heart just sank when I saw the mistake on the Wednesday after race day. What was uplifting for my battered spirit was the forgiveness by everyone from Stanley Kebenei, who lost his chance to be called an American record holder but still said he would be back to try again in 2020, to the title sponsoring credit unions, to all of the runners further back in the pack, many of whom

thought they had set personal best times. I thank everyone for your understanding and patience from the bottom of my heart. Rest assured the organizing committee will do everything in its power to make sure this never happens again. Perhaps political Washington will see that being forthright and honest is always the best policy. At least the cherry blossoms were spectacular on a perfect spring morning to run 10 - well, 9.96 - miles.

I hope you will scroll through the pages of our environmentally friendly PDF results publication and relive the excitement and the magic of the event through the articles, photos and finisher lists. As a reminder, you can measure your performance against our elite athletes or anyone else in the field by use of the “Age Graded” quotient supplied with each finisher’s time. This provides a way for you to compare your time, based on your age and sex, with the performance of any other runner based on his or her age and sex.

I hope your experience at this year’s event will entice you to join the 8,000 race entrants who use their local Credit Unions for their financial needs. (Details about joining a Credit Union appear in the center spread of this results publication.) They have been the best title sponsor ever, all the way back to 2002. During their tenure, the event has raised over \$9.5 million dollars for the Children’s Miracle Network Hospitals, a total which was augmented by \$400,000 this year.

I also would like to take a final opportunity to thank our 2019 presenting, supporting and contributing sponsors including Under Armour, our official shoe and apparel sponsor, MedStar Sports Medicine, our Fall Kick Off sponsor; Garmin, our Technology sponsor; Gatorade, provider of the Gatorade Endurance Formula out on the course; Gold’s Gym, organizers of our pace groups and leaders of the race day warm-up exercises; Potomac River Running, our official retail sponsor; Honey Stinger; UPS; Peets Coffee; ParkMobile; Union Pub; E-Trade; Suburban Solutions, who hauled a lot of stuff around on race weekend; Mamma Lucia’s, who fed all of our volunteers at the Volunteer Appreciation Party; and Baroody Camps, for the play area at the Kids Run .I’d also like to extend a special thanks to DrinkMore water for supplying the water, the Montgomery County RRC for handling the water stop logistics, the National Park Service, the U.S. Park Police, Metropolitan Police Department and the Mayor’s Special Events Task Group who expedited approval of our revised course on Washington, DC city streets just weeks before race day.

We are already reviewing artwork for our 48th running of the event on Sunday, April 5, 2020. The planning cycle never stops. Our plan is to hold lottery registration December 1-12, 2019. Everyone who entered the race this year, even if you were not accepted, will be sent email notification about the entry process. Remember to let us know if you move or change your email address so we can keep our records up to date. If you have friends or associates who did not run this year (or if you have run before but did not run this year) anyone can sign up to receive an email containing the 2020 entry information on the race website at www.cherryblossom.org. Be sure to check your spam filters if you do not hear from us — or just check the website from time to time.

If you had a good time or have suggestions, please let us know. You may write to us at Credit Union Cherry Blossom, 4963 Elm St., Suite 106, Bethesda, MD 20814 or send us an e-mail to: racedirector@cherryblossom.org.

As always, I am deeply indebted to all of my race committee members — especially Deputy Director Becky Lambros and Cherry Blossom, Inc. President Irv Newman — who toiled tirelessly throughout the year to make it all happen.

Happy Miles,
Phil Stewart

Eventual race winner Jemal Yimer, wearing bib # 1, leads the men's pack early in the race

Race Day Euphoria Comes Up Short

Misplaced Turn-around Nullifies Record Times at 47th Credit Union Cherry Blossom Ten Mile Run

Race organizers will still pay \$13,500 to elite athletes who otherwise would have qualified for time bonuses

by Jake Klim

With Washington D.C.'s famed cherry blossoms in peak bloom and in idyllic weather conditions for racing—light winds, overcast skies, and temperatures hovering in the low-50s—runners at the 47th edition of the Credit Union Cherry Blossom Ten Mile Run experienced the full grandeur of the nation's capital in spring along with some very fast times. However, the times were fleeting as a few days after the race, the race organizers found that a semi-circle of traffic cones on the an out-and-back segment between miles three and four on a turn-around on Ohio Drive were misplaced. The net effect of that mistake was a course that was short by 80 yards. The exact distance run was 9.96 miles.

"The entire race organizing committee profoundly regrets the misplaced turn around," said Event Director **Phil Stewart**. "Like so many instances when things go wrong there was miscommunication between two seasoned professionals about the precise location of the turn which created the problem."

Underscored Stewart, "The course marking procedure will be overhauled next year to ensure a mishap likes this does not happen again."

For the second year in a row, Ethiopia's **Jemal Yimer** bested the competitive men's field to win the *Runner's Rite of Spring*® in a time of 45:36. Despite the shortened race distance, Yimer's performance is still one of the fastest in Credit Union Cherry Blossom history.

During the race's opening miles, the lead pack included nearly 20 runners, but Yimer, wearing bib number 1, hit the gas pedal around mile three and only six other athletes were able to keep stride. Yimer continued to tighten the screws and by mile five, only four runners remained on the Ethiopian's heels. By mile six, it was a two-man race, with **Josphat Tanui**, from Kenya, giving Yimer chase, occasionally running alongside the reigning champion. The duo remained stride for stride during the race's final miles, with Yimer only able to break away from Tanui just yards from the finish line, besting his rival by two seconds: 45:36 to 45:38.

Yimer took home \$8,000 for the victory and an additional \$1,000 for breaking 46:00, while Tanui was awarded \$4,000 as the runner-up and an additional \$750 for being the second man to break 46:00.

Kenyan **Edwin Kibichiy** also broke 46-minutes, placing third with a time of 45:58, and took home \$2,000.

2017 Credit Union Cherry Blossom champion **Stanley Kebenei**, Colorado Springs, CO, placed fourth and was the top American. Kebenei's time of 46:00 was faster than Greg Meyer's American record of 46:13 (set here in 1983), but fell prey to the short course and cannot be submitted to USATF for consideration as

the American Record. Interestingly, at the pace Kebenei was running, his time would have matched or perhaps broken Meyer's record over the full 10 miles.

"I came here with one idea: to break the American record," Kebenei told reporters after the race. "Today, I masterminded the course. When (Yimer) made the move, I didn't follow him, because I wanted to control my body. My main idea was to run the last mile fast and get that American record."

Kebenei earned \$1,500 for placing fourth, an additional \$5,000 as first American, and was still awarded a \$10,000 bonus by race officials.

"Paying the bonuses seemed like the right thing to do," explained Event Director Stewart. "While disappointed, Stanley Kebenei says he wants to come back and claim the record next spring."

"Cherry blossom is a great race despite the mishap that we all went through," Kebenei said later. "Technically in my mind I broke the record, I just need to confirm it again."

The 2014 and 2015 Credit Union Cherry Blossom champion, **Stephen Sambu**, placed fifth with a time of 46:55, and earned \$1,000 his efforts.

Rounding out the top ten were **Futsum Zienasellassie**, Flagstaff, AZ, who won \$900 for placing sixth, \$2,500 for being the second American, and \$1,500 for winning the RRCA Roads Scholar/RunPro Alumni Challenge; **Reed Fisher**, Boulder, CO, earned \$800 for seventh place, and additional \$1,500 for placing third among American men, and \$1,000 for placing second in the RRCA Roads Scholar/RunPro Alumni Challenge; **Willie Milam**, also from Boulder, CO, took home \$700 for eighth place, \$1,000 for being the fourth American, and \$500 for third place in the RRCA Roads Scholar/RunPro Alumni Challenge; **Kiya Dandena**, from Flagstaff, AZ, took home \$700 for ninth place, and \$800 additionally as fifth American; and **Louis Serafini**, Somerville, MA, won \$500 for tenth place as well as \$600 for placing sixth among Americans.

Tim Young, Fredericksburg, VA, placed seventh among Americans and was awarded \$400; **Josh Izewski**, Blowing Rock, NC, took home \$300 for placing eighth among the American men; **Haron Lagat**, Colorado Springs, CO, earned \$200 as ninth American; and rounding out competition among U.S. elites was **Mark Leininger**, Colts Neck, NJ, who picked up \$200 for placing tenth. Arlington, Virginia's **Clint McKelvey** was the top local man, running a time of 49:45.

"Finishing as the top local was definitely a goal," said McKelvey, "I have a nice streak of not losing to anyone from DC for the past couple years so wanted to try to continue that at Cherry Blossom."

The women's race, like the men's, came down to the wire between athletes from two distance running

juggernauts. Kenya's **Rosemary Wanjiru** and Ethiopia's **Gotytom Gebreslase** ran away from their rivals by mile four in the race, but Gebreslase, who sat on her rival's heels, was inclined to let Wanjiru set the pace. For the next six miles, Wanjiru tried her best to shake her opponent, even motioning for Gebreslase at times to run alongside and give her space, but the Ethiopian would not take the bait.

"She stepped on me (and) I don't like that," Wanjiru said later. "That's why I was telling her, you can move, don't step on me."

Despite controlling the pace for much of the race, Wanjiru found a new gear with a half mile to go, surged, and continued that drive all the way to the finish line, running a jaw-dropping time of 50:42.

"I always believe in myself. I said 'I want to win this race.'"

Despite the short course, it is safe to say that Wanjiru's would have smashed the women's course record of 51:16, set by South Africa's Colleen De Reuck in 1998.

Wanjiru took home \$8,000 for her victory plus \$1,000 for breaking 52:00 while Gebreslase won \$4,000 as runner-up, along with \$750 for being the second woman to break 52:00.

Margaret Muriuki earned \$2,000 for placing third, Ethiopian **Hiwot Ayalew Yimer** won \$1,500 for placing fourth **Emma Bates**, from Boise, ID, earned \$5,000 for being the first American, an additional \$900 for her sixth-place overall finish, plus \$1,500 for winning the RRCA Roads Scholar/RunPro Alumni Challenge.

Rounding out the top 10 were Ethiopian **Hiwot Gebrekidan**, who won Cherry Blossom in 2017, and earned \$800 for her seventh place effort; Great Britain's **Stephanie Twill**, who took home \$700 for eighth place; Kenyan **Iveen Chepkemai**, who won \$600 for placing ninth; and **Bethany Sachtleben**, Fairfax, VA, who earned \$500 for placing tenth, plus \$2,500 as second American woman. Like last year, Sachtleben was also the top local women's finisher.

"I was shooting for top American woman and while fell just short of that goal, I am pleased to be the top local finisher," noted Sachtleben. The race started out faster than I expected, as last year we were all in a pack at a more relaxed pace for the first half of the race. I was happy that it went out fast because it really pushed me to my best."

Other Americans earning prize money include **Samantha Palmer**, Northport, AL, who won \$1,500 for placing third among American women and \$1,000 for being second in the RRCA Roads Scholar/RunPro Alumni Challenge; **Katy Jermann**, Burnsville, MN, who earned \$1,000 as fourth American, and \$500 for placing third in the RRCA Roads Scholar/RunPro Alumni

Challenge; **Alexis Zeis**, Boulder, CO, took home \$800 for being the fifth; **Grayson Murphy**, Flagstaff, AZ, won \$600 for her sixth place effort; **Allison Cleaver**, Austin, TX, earned \$400 by placing seventh among the Americans; **Maddie Van Beek**, from Fargo, ND, won \$300 as the eighth American; **Kelsey Bruce**, Bracketville, TX, took home \$200 for being the ninth American; and rounding out the top ten Americans was **Meghan Peyton**, from St. Paul, MN, who won \$200.

Forty-seven-year-old **Perry Shoemaker**, Vienna, VA, who ran the incredible time of 57:29, was the top Masters runner, just ahead of **Deena Kastor**, Mammoth Lakes, CA, the 2004 Olympic Women's Marathon bronze medalist.

Canadian superstar triathlete **Lisa Bentley**, 54, took top honors among Grandmasters, while fifty-seven-year-old **Joan Nesbit Mabe**, Chapel Hill, NC, the last American woman to win the Cherry Blossom in 1996, ran 1:10:44 to top women in the 55-59 age group.

"As (my daughter and I) listened to the 'Star Spangled Banner' right before the race, my mind flashed back 23 years earlier to when I was up front, pushing the pace with something to prove to the world," noted Mabe. "Well, in 1996 I got my Cherry Blossom time and place goals, but it wasn't until this 2019 race that I reached an all-time experiential personal record of seeing my daughter's happy little wave at the four-mile turnaround knowing she was on pace to crush her own time and place goals."

Mabe's daughter, **Sarah Jane Kerwin**, from Ann Arbor, MI, ran a personal best 1:01:17.

Mia Ives-Rublee, Wheaton, MD, was the only finisher in the Push-Rim Wheelchair division.

New York City's **Jose Donado** and **Madeline Hanley**, from Arlington, VA, took top honors in the 5k Run-Walk.

The Capital Area Runners, skipped by **Tom Derr**, Arlington, VA, won the Washington Metropolitan Area Elite Team competition, while Pacers/GRC New Balance, led by Washington, D.C.'s **Sarah Zieve**, topped all rivals in women's action. Both squads earned \$1,000 for their efforts.

Ben Beach, Bethesda, MD, the only person to have run *every* Cherry Blossom Ten Mile Run, ran 1:44:45, just eight days before the famous "streaker" laced up his shoes for his 52nd consecutive Boston Marathon.

"Hats off to the person in charge of race weather at Cherry Blossom," joked Beach. "The race director should sign him or her to a long-term contract that includes free running shoes for life."

It is safe to assume that Beach will again toe the line at the 48th running of the Credit Union Cherry Blossom Ten Miller, which will take place on Sunday, April 5, 2020.

Les Kinion Award

Credit Union Cherry Blossom Run Presents 2019 Les Kinion Outstanding Service Award to Glenn Klenk in Recognition of His Many Years of Service to the Race

Award honors the memory of longtime race volunteer Les Kinion.

by Keith Peters

Photo: Karen Mitchell

Event Director Phil Stewart Presents Glenn Klenk with the Les Kinion Award. Glenn has performed myriad tasks during his years of service to the committee such as t-shirt distribution and signage.

April 6, 2019, Washington, DC: At this year's pre-race dinner for the Credit Union Cherry Blossom Run, the table was set—in more ways than one. Everyone who gathered for dinner had done their best to prepare for the 47th running of *The Runners Rite of Spring*®.

A very deep and hungry field of elite runners had trained hard for the Credit Union Cherry Blossom Ten Mile—the only race in our nation's capital to attract renowned international and American elite athletes including world record holders, Olympic medalists, and American record holders. Race organizing committee members had once again reconfigured the event's staging area on the Washington Monument Grounds to avoid areas that are being refurbished, just as they had revised and recertified both the Ten Mile and 5K Run-Walk courses to avoid construction on Memorial Bridge and Rock Creek Parkway. And

Credit Union dignitaries were excited to share the news of \$400,000 having been raised for Children's Miracle Network Hospitals.

To top it off, one dedicated race committee member was about to receive the coveted Les Kinion Outstanding Service Award—an award established in 2015 to ensure the memory of Kinion's outstanding service to the Cherry Blossom Run.

In his presentation remarks, Race Director Phil Stewart said: "Les Kinion was very much at the heart and soul of the Cherry Blossom race committee for over 20 years. He coordinated the screen printing of the t-shirts, packaged and delivered over 150 separate packets for committee members and others, and worked all race weekend long—always with a smile and effusive spirit that rejuvenated even the most tired among us. There wasn't a single thing that Les wouldn't do to help out the race."

Stewart went on to add: "This year's Kinion Award recipient, Glenn Klenk, has performed myriad tasks during his years of service to the committee—all of them tedious and unglamorous tasks that few, if any other people would seek out—such as t-shirt distribution and signage. Glenn attacks those tasks with an extremely analytical and resolute mindset to make sure they get done effectively, which they certainly do."

Indeed, Glenn Klenk exemplifies the dedication to service that previous Kinion Award recipients Irv Newman (2015), George Tarrico (2016), Michelle Carter (2017) and Jean Arthur (2018) have been recognized for in years past.

By trade, Les Kinion was a Baltimore fire fighter with Engine Company 43. By passion, he was first a runner and then a running club officer and race director. In 1970, Les co-founded the Baltimore Road Runners Club, one of the earliest

chapters of the Road Runners Club of America. In 1973 he helped launch the first Maryland Marathon. After retiring in 1986, Les moved to Bishopville, MD, and worked on hundreds of races on the Maryland-Delaware Coast. He became involved with the Cherry Blossom Run in the early 1990s, and was active until he passed away in July 2014 at the age of 78.

The 2019 Credit Union Cherry Blossom Run will mark the 18th year of title sponsorship by Credit Union Miracle Day. Since 2002, over \$9.5 million has been raised for the Children's Miracle Network Hospitals including \$400,000 this year.

Past Award Winners

2015 - Irv Newman
2016 - George Tarrico
2017 - Michelle Carter
2018 - Jean Arthur
2019 - Glenn Klenk

Age Graded Quotient

Your age graded quotient helps you compare your performance with the performance of another runner of a different age and possibly a different gender. The number is the ratio between the “world record” time for a runner of your age and gender divided by your time. If the 10 mile “world record” for a 56-year-old woman was 1:00:00 (3600 seconds) and a 56-year-woman ran 1:30:00 (5400 seconds), her age graded performance would be .6666. If the 10 mile “world record” time for a 40 year old male was 48:00 (2880 seconds) and 40-year-old man ran 55:00 (3300 seconds), his age graded quotient would be .8727. This means the 40-year-old male’s performance was better relative to his age and gender than the 56-year-old woman’s performance.

Josphat Tanui, from Kenya, and race winner Jemal Yimer, from Ethiopia, run side-by-side under cherry trees in peak bloom as pass by one of the women’s advance starters late in the race.

Team Cedric and the PenFed Runners

PenFed's Team Cedric

PenFed employees were inspired by Master Sergeant (Ret.) Cedric King, a double amputee, and teamed up to run the Cherry Blossom race together with King leading, inspiring and lifting everyone up along the way. PenFed employees first met King during the company's fall 2018 town hall meetings and some of the team members had never run more than a mile before they started training the 10-mile race.

In 2012, during his second tour in Afghanistan, MS King lost both his legs to an improvised explosive device. MS King applied the same determined mindset to his recovery that led to his success as an elite Army Ranger.

Just 21 months after his crippling injuries, King completed the Boston Marathon running on prosthetic blades. He has gone on to compete in even more physically daunting events, including a 70.3-mile half Ironman Triathlon.

King is the President and CEO of the PenFed Foundation Speakers Bureau and shares his inspirational story with audiences across America, including Fortune 500 companies, schools, churches, and the National Football League. Just as King led and motivated men in combat, he now leads and motivates others to see new possibilities in their own lives.

PenFed's sponsorship of the race included more than 40 PenFed volunteers who provided water, encouragement and support to the runners at the mile six water stop.

Members of "Team Cedric" flank Retired U.S. Army Master Sgt. Cedric King (bib 2365). King's legs were amputated after sustaining severe injuries while serving in Afghanistan in 2012.

"Team Cedric" includes members of Pentagon Federal Credit Union and the Pentagon Federal Credit Union Foundation.

Kids Run is a Success!

Kids Enthusiastically Embrace Half-Mile Route in Downtown D.C.

2019 CUCB Wrap-Up: Expo Clinic Speakers

by Keira D'Amato and Julia Emmons, CUCB Expo Speaker Coordinators

The Expo Space

The site for the Expo speakers continued at its successful location at one end of the main Expo Hall. As most of the talks also included power-point presentations, screen and other equipment once again integrated successfully into the staging.

Our space slightly reduced from last year, with a curtained off section at the back that was used for a Friday night reception. This posed no problem, and on Saturday we used the space to sign autographs following each speakers talk.

We had volunteers dedicated to helping the Expo coordinators manage the autograph lines. This again proved valuable.

The Program

Friday, April 5th, 4-7 p.m. (Expo was open until 8 p.m.)

Creigh Kelly was on hand to moderate the speakers; again, he was a charming and effective host.

As the Expo does not open until 3p.m., on Friday, we scheduled speakers at 4,5, and 6 p.m. with each one remaining an

additional hour for autographs. Worked well.

Deena Kastor was the kick-off speaker. The 2004 Bronze medalist in the women's marathon at the Olympics in Athens spoke to a SRO crowd. Her talk focused on one's ability to do one's best; all depends on the paths one chooses, and the focus one brings. After her talk, many in the audiences followed to her Expo Booth, where she signed autographs and sold copies of her best-selling book, *Let Your Mind Run*, which that very day had just come out in paperback.

Lisa Bentley followed in the 5p slot. The charming Canadian is a nine-time participant in the World Ironman Competition in Hawaii, in spite of battling a major chronic illness. Lisa echoed Denna message, assuring the crowd that it is up to each of us how we chose to deal with life's challenges. Following her talk, she signed autographs at the back of the area.

Dick Beardsley, famous for having come in second, by footsteps, in the 1982 Boston Marathon, followed at 6 p.m. He began by sharing footage

of the 1982 race, which has lost little of its drama. He reflected about his experience, and then shared several ensuing chapters of his life, some challenging and painful. As with the two speakers before him, he emphasized that no matter what life throws at one, we each can grow from such experiences. Dick remained in the area to sign autographs until 7.

Saturday, April 6th, 11 a.m-4 p.m.)

Expo speaker coordinators discovered in prior years that there was little audience for Expo speakers when doors open at 9 a.m. at Saturday. Thus, we again scheduled our first speaker for when the crowd had thickened and the Expo announcer could promote the speaker line-up.

Mike Wardian, a marathoner/ultra-marathoner who lives in the DC area returned for a second year. Mike spoke at 11 a.m. The hometown hero again impressed the enthusiastic crowd with tales of his near-impossible feats of endurance, which this year included running the entire length of Israel, a route of over 600 miles through every type on weather condition. As with the other Expo speakers, Mike emphasized

that one can do amazing things if one has the will and focus. He followed his talk by signing autographs in the back area.

Deena Kastor returned to the stage at 12 noon, again followed by autograph signing and book selling at her Expo booth.

Dick Beardsley returned at 1 p.m., also following his talk by signing autographs in the back area.

Lisa Bentley made her second appearance at 2 p.m., and then retired to sign autographs in the back area. There was plenty of room to accommodate more that one autograph signing should an autograph session run over.

Hiruni Wijayaratna, spoke at 3 p.m. A charming running coach and standout runner aiming to make the 2020 Sri Lankaian Olympic team as a marathoner, Hiruni rounded out the afternoon by giving advice and tips on how best to run in the following day's CUCB Ten Miler. It was an apt conclusion to another outstanding Expo speaker series.

Interesting Race Statistics

	2019	2018
Total dollars raised for Children's Miracle Network this year	\$400,000	\$380,000
Total dollars raised for Children's Miracle Network since 2002	\$9,500,000+	\$8,000,000+
Carbon Offset Contribution	\$11,902.50	\$7,451
Total number of 10 mile finishers	17,656	16,659
Total number of male finishers	7,146	6,791
Total number of female finishers	10,291	9,868
Percentage male finishers	40.98%	40.76%
Percentage female finishers	59.02%	59.24%
Total number of finishers in 1973 event	129	129
Total prize money earned by elite athletes	\$86,500	\$79,000
First place open prizes	\$9,000 for Yimer; \$9,000 for Wanjiru	\$10,500 for Yimer; \$18,000 for Diriba
Total 1st U.S. checks (Stanley Kebenei, \$16,500, Emma Bates, \$7400)	\$23,900	\$5,000
Last U.S. male champion and year	Stanley Kebenei, 2017	Stanley Kebenei, 2017
Total number of 5K Run-Walk finishers	2,915	2,529
Percentage of 5K male finishers	30.57%	28.75%
Percentage of 5K female finishers	69.43%	71.25%
Number of sponsoring Credit Unions and partners	74	70
Number of Bike Valet Users	353	225
Number of bags checked at bag check	unknown	4093
Number of bottles of water	34,344	34,344
Number of states represented	50	50
Number of foreign countries represented	24	22
Number of volunteers	2,200	2,200
Number of app downloads	10884	12315
Number of volunteers from Credit Unions	600	600
Average age of all competitors	38.04	37.92
Average age of female competitors	37.03	36.78
Average age of male competitors	39.64	39.69
First time entrants in 10 Mile or 5K	12,014	11,495
Entrants who have run either race previously	13,000	13,519
Youngest 10 mile finisher	9	11
Oldest 10 mile finisher	87	85
Number of Park Police Officers working the event	86	70

CONGRATULATIONS! 2019 Cherry Blossom Runners

We applaud your dedication
to helping children through
support of the Children's
Miracle Network Hospitals

Baroodly Camps, Inc. has been providing summer camps in Northern Virginia since 2003 and before and after-school enrichment classes since 2014. We create year-round programs that are designed to enrich the lives of children by providing activities that encourage a love of learning, creativity, curiosity, character building and fun.

This year we're overseeing enrichment programs in more than 22 public and private schools. Our programs include a wide variety of options from the creative arts to sports to STEM – we have something for everyone. All of our classes are taught by highly qualified, trusted vendors and teachers.

We're proud to be a small, owner operated company enabling us to maintain our reputation for the highest standards and some of the most affordable prices around.

Learn more about us at: www.baroodcamps.com

2019 SUMMER CAMP:

June 17–August 16

(Camp dates vary. Visit our website www.baroodcamps.com to see our individual camps and exact dates

LOCATIONS:

Falls Church Community Center
and St. Rita's School

Age Graded Quotient

Your age graded quotient helps you compare your performance with the performance of another runner of a different age and possibly a different gender. The number is the ratio between the “world record” time for a runner of your age and gender divided by your time. If the 10 mile “world record” for a 56-year-old woman was 1:00:00 (3600 seconds) and a 56-year-woman ran 1:30:00 (5400 seconds), her age graded performance would be .6666. If the 10 mile “world record” time for a 40 year old male was 48:00 (2880 seconds) and 40-year-old man ran 55:00 (3300 seconds), his age graded quotient would be .8727. This means the 40-year-old male’s performance was better relative to his age and gender than the 56-year-old woman’s performance.

Photo: Team Muller

Forty-seven-year-old Perry Shoemaker (bib # 176), Vienna, VA, was the top women’s master.

Eventual women's race winner Rosemary Wanjiru, from Kenya, eyes the finish line less than 100 meters away.

Together our Voices are Strong

Thanks for **Making a Difference** with Us!

Thank you to the credit unions that support this race, the 600+ credit union volunteers who helped make race day a huge success and the 8,000+ credit union members who run in the race.

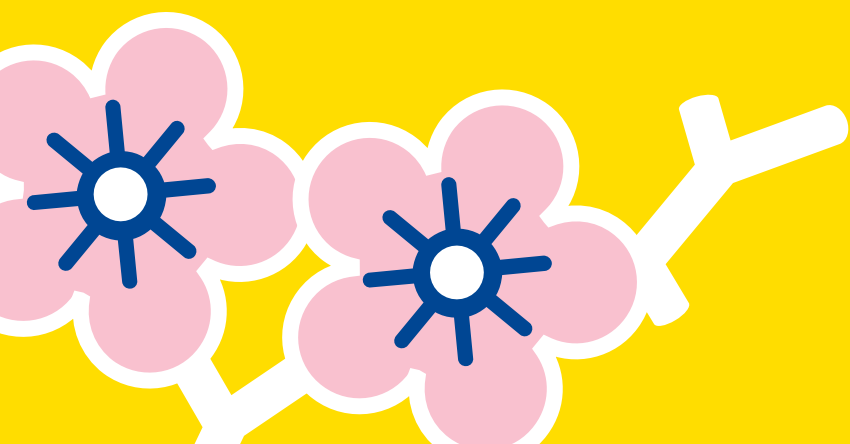

Together we were able to raise \$400,000 for Children's Miracle Network Hospitals.

Credit unions strive to make a positive impact through member and community outreach activities. Credit unions nationwide save their members an average of \$184 annually through their endeavors.

To learn more about credit unions in your area, please visit www.mycreditunion.gov.

8,000+ runners
in this year's race
are members of a
credit union.

Credit union sponsorship
of this race has raised
nearly \$9.5 million
for Children's Miracle Network Hospitals

Thank You!

CREDIT UNION SUPPORTERS

Real Time Pain Relief offers numerous products that help combat muscle soreness.

A vendor demonstrates how to use The Stick, which is "made of a space-age plastic that allows necessary flexibility of the tool and provide maximum compression of the muscles."

Karlie Hale and Melissa Chang, both from Lorton, VA, show off their bibs at the Health and Fitness Expo.

AURIA creates headphones that are super comfortable, sweat proof, do not fall out, and enable users to hear ambient sounds while listening to music at normal volume levels.

Like the 10 miler, the 5k Run-Walk also has pace groups.

Spot Light on Individual Credit Unions

There are over 60 individual credit unions who sponsor the event through Credit Union Miracle Day. For some of them, their sponsorship goes way beyond a financial commitment to the event and the Children's Miracle Network Hospitals. Here are some credit union highlights from this year's race.

PenFed's Team Cedric

PenFed employees were inspired by Master Sergeant (Ret.) Cedric King, a double amputee, and teamed up to run the Cherry Blossom race together with King leading, inspiring and lifting everyone up along the way. PenFed employees first met King during the company's fall 2018 town hall meetings and some of the team members had never run more than a mile before they started training the 10-mile race.

In 2012, during his second tour in Afghanistan, MS King lost both his legs to an improvised explosive device. MS King applied the same determined mindset to his recovery that led to his success as an elite Army Ranger.

Just 21 months after his crippling injuries, King completed the Boston Marathon running on prosthetic blades. He has gone on to compete in even more physically daunting events, including a 70.3-mile half Ironman Triathlon.

King is the President and CEO of the PenFed Foundation Speakers Bureau and shares his inspirational story with audiences across America, including Fortune 500 companies, schools, churches, and the National Football League. Just as King led and motivated men in combat, he now leads and motivates others to see new possibilities in their own lives.

PenFed's sponsorship of the race included more than 40 PenFed volunteers who provided water, encouragement and support to the runners at the mile six water stop.

Federal Reserve Bank Flying In Volunteers from Across the Country
FRB FCU supplied 9 volunteers who served as course marshals - including the CEO Theresa Trimble and the COO of the credit union. However, these volunteers were hardly locals. Trimble flew out her entire staff from her St. Louis branch (they merged with a different federal reserve CU in St. Louis a couple of years ago) so that her new employees could volunteer and support this event too....and she put them all up at her house for the weekend!

Waterstop Sponsors

Race participants were treated to water which no doubt tasted better than ever in cups thanks to NASA FCU, Library of Congress FCU, NIH FCU, and PenFed FCU. [insert photo of cups]. In addition to all of the cups, these credit unions supplied all of the enthusiastic volunteers at their individual stops.

Wave Sponsors

Which wave were you in? Four Credit Unions sponsored starting line waves including United States Senate FCU, U.S. Postal Service,

Commonwealth One, Money One, and Congressional.

Credit Union Team Competition

NASA FCU Asteroids team was the top of the 18 teams competing in the Credit Union Team Competition. It was a familiar position and CU Team Historian Peter Wagner of Federal Reserve Board FCU reports: Our **fastest** credit union team in 2019 was the **NASA FCU Asteroids** team representing NASA Federal Credit Union in a time of **3 hours, 34 minutes and 45 seconds**. The team runners are Denise Knickman, Shawn Kyle and Yan Zhang. This is NASA FCU's eighth team victory, solidifying their position as the winningest credit union over the past 18 years. Their lead runner, **Denise Knickman**, becomes the first woman ever to lead a credit union team to first place. She is now quite familiar to us and she has achieved several other notable firsts to be covered in a moment.

The other teams in our top 5 Credit Union Teams division for 2019 currently are:

- 2nd Place – LCFCU Jefferson (Library of Congress FCU)
- 3rd Place – LCFCU Madison (Library of Congress FCU)
- 4th Place – Support Education 5 (Educational Systems FCU)
- 5th Place – FRBFCU 'R Us (Federal Reserve Board FCU)

Our **fastest** credit union team female runner was **Denise Knickman**. Denise led her teammates on the first place **NASA FCU Asteroids** with a time of **70 minutes even**. For that matter, she led most of the credit union team field, placing 5th among all credit union runners this year, male and female. For those of you not familiar with Denise, in 2011 Denise set the current record as our fastest female runner at 62 minutes and 21 seconds. This is Denise's fifth appearance in the top women's spot, maintaining her position as our most winning credit union female ever. Finally, at age 50, Denise is the most mature woman ever to win the top spot among credit union team women. According to RunPix results this year, Denise finished ahead of ALL women in her age group, credit union or not. Denise is simply amazing.

Our **fastest** credit union team male runner was **Charles Kim**. Charles is the leading member of the third place team **LCFCU Madison** representing the Library of Congress FCU. He finished in a time of **62 minutes and 39 seconds**, just one minute ahead of his coworker, Marvin Pace (who will be mentioned later.) At age 34, Charles ties Matthew Dean (2003) and Martin Lanz (2008) for our most mature male winners. This is Charles' first appearance as a top male finisher and we hope to see him again in the years to come.

Other Credit Union team competition results worthy of note are:

- 1. **Marvin Pace** led his team the **LCFCU Jefferson** to second place this year. That's nice to know, but what is exciting about Marvin is he finished in **63 minutes and 39 seconds**, and was

racing in his **new age group of 65-69 year olds**. Even when adjusting for the 80 yard shortfall in this year's race, Marvin crushed his pace last year...and last year he set the record for male 60-64 year olds. According to RunPix, Marvin finished ahead of ALL males in his age group this year, credit union or not. We really, really hope he remains in good health and returns to us next year.

- 2. **Wendy Ginsberg** finished her 11th Cherry Blossom 10 mile race this year. No other credit union team woman has finished as many Cherry Blossoms over the past 18 years.
- 3. While it appears this year was carried by our more mature runners, **Educational Systems FCU** fielded one of the youngest teams we've ever seen. Their **Support Education 6** team boasted an average age of just over 20 years. In fact, two of their runners **Camille Izdepski** (female age 16) and **Logan Musumeci** (male age 15) join the youngest runners we've ever seen in their respective gender groups. The only younger team in our records was the "Support Educational Systems #2" team in 2015 wherein all four team members were 17 years old.

If your credit union does something special surrounding the 2020 race, please send to details to Ronda Polhamus at rpolhamus@mdccua.org for special consideration for this section.

Retired U.S. Army Master Sgt. Cedric King (bib 23265) poses with his TeamCedric team mates from PenFed FCU before going out and finishing the race in 2:11:00 King's legs were amputated after sustaining severe injuries while serving in Afghanistan in 2012.

Two fisted Water Stop Technique: Jacynda Lee makes sure she has one for the road.

Ready for Lift Off: NASA FCU Cups are poised for to be handed out to runners as they pass by the NASA FCU sponsored water stop.

Like runners in the 10 miler, participants in the 5k Run-Walk also got the chance to run past cherry trees in peak bloom.

Reserve Your Spot Ahead of Time.

ParkMobile lets you easily find and reserve the parking spot that's right for you. We provide you with the tools you need to filter through our parking inventory so you can select the location that best meets your needs and reserve a spot in advance.

find available parking options

Browse reservation locations or explore the map to find an available parking spot nearby.

reserve your guaranteed spot

Select a parking location that best fits your needs, and secure your parking spot in advance.

enjoy easy access to your permit

Access parking details, amenities, your reservation barcode, and get turn-by-turn directions to your spot.

Download the ParkMobile app for iPhone and Android or reserve your spot online at ParkMobile.io
