About the Credit Union Cherry Blossom Ten Mile

About Credit Union Miracle Day:

Credit Union Miracle Day is a partnership of over 100 credit unions, CUSOs and partner organizations united to sponsor the Credit Union Cherry Blossom Ten Mile Run promoting awareness of the credit union difference and benefitting Children's Miracle Network Hospitals nationwide.

About America's Credit Unions:

Credit unions provide consumers choices for financial services such as checking accounts, investments and loans of all kinds including mortgages. Funds are federally insured, but unlike banks, there are no stockholders at credit unions. Earnings are returned to member-owners in the form of lower loan rates, higher savings rates, low or no-fee products and services. The credit union philosophy of placing members' needs first is why more than 115 million Americans do their banking at one of America's 5,700 credit unions. Credit unions are for everyone - no matter where you live, there is a credit union to meet your needs.
