

2025 Credit Union Cherry Blossom 10 Mile, 5K and Double Blossom February Participant News

Dear Confirmed Credit Union Cherry Blossom Entrant:

You are receiving this message because you are a confirmed entrant in the 2025 Credit Union Cherry Blossom 10 Mile on Sunday, April 6 or the 5K on Saturday, April 5 (or the Double Blossom on both days).

This message contains details about a number of important deadlines coming up toward the end of February. As a reminder, answers for many of your questions are available on the race website, www.cherryblossom.org, so check the site frequently as race day approaches. Our next scheduled email will be your Final Confirmation & Race Instructions email with your assigned bib number, an itemization of any items purchased (such as upgrades, medals and race packet mailout), and packet pick-up instructions.

These are three February deadlines fast approaching. Review carefully and take action as needed so you won't miss out. . .

Deadline #1

February 26 at 5:00 P.M. - Bib Transfer Process Closes

If you plan to transfer your bib number, you must have initiated the transfer to the recipient by **5:00 p.m. on Wednesday, February 26. No transfers can be initiated after this time.** When a registrant initiates a transfer to an individual, that individual will receive an email with a link so that they can register. The individual then has until **11:59 p.m. on Friday, February 28** to enter the race using the link provided when the transfer was initiated. The code will expire at that time and cannot be re-issued.

Remember no money should change hands during the transfer process, as the person transferring their registration receives a full refund from Race Roster (including for any upgrade shirt and medal purchases, etc., but not including donations and service fees) once the person to whom they are transferring enters the race. That person fills out an entirely new registration form and orders whatever additional items they wish, and submits payment information with their completed registration.

Besides authorized transfers, there are no refunds or deferrals - the bib transfer process represents the only way to transfer your number. As always, for safety and security reasons, do not ever give or sell your number to someone else other than as part of the official transfer program. Violators - and the recipients of illegally transferred bibs - will be banned from the race for two years.

Warning: We are monitoring the Facebook site (as well as Craig's List and other similar sites) and will revoke the bib numbers of anyone trying to charge someone for a registration and ban them from the race for two years.

Deadline #3

February 28 at 11:59 P.M. - Last Chance to Order an Upgrade Shirt and/or Medal, Photo Package, or Race Packet Mailout, or Make a Children's Miracle Network or Sustainable Impact Donation

Did You Order a Shirt at Registration? Many people when registering this year just took the first t-shirt option on the dropdown menu, which was **No T-shirt**. We have had a number of people not realize that they had done this and actually did want a shirt. To check to see if you selected No T-shirt, [Click Here](#) and log into your Race Roster account to see what you ordered at registration.

If you selected No T-shirt when registering but decide you do want a shirt after all, you can [click the link below](#) and order an **ASICS performance upgrade shirt** (and any other items you want). If you prefer the free standard cotton T-shirt, send an email to info@cherryblossom.org specifying the size you want (Unisex Small, Medium, Large, XL, XXL, XXXL).

Did You Want a Finisher Medal? Be aware that in order to keep our race registration fees low and to avoid lots of unwanted finisher medals ending up in landfills, we do not give medals to all finishers. If you want a medal, you have to have ordered it when you registered for the race or here before **February 28**. Click the link below to order a medal and any other additional items you would like.

The price for all additional items is as follows:

The funds raised by race participants will be bundled with donations from the sponsoring Credit Unions to truly change kids health and to change the future.
